“Every Day Counts”

If your child is absent from school we must be informed to explain the absence. This can be done via note, telephone or placed directly into COMPASS.

Broad Brimmed Hats

Broad brimmed hats are compulsory in Term 4. Students will not be able to play in the yard at recess or lunch time if they do not have their hat. Please ensure all hats are clearly named.

School hats are available for purchase from the school office for \$ 14.00 each.

Monday 19th October— Toastie And Chicken Noodle Soup Lunch

We will be providing students with lunch on Monday 19th October (no cost). If students would like a cheese toastie and/or a cup of chicken noodle soup they simply need to line up at the community room at lunchtime. There is no note sent home, they just simply need to turn up.

School Athletics Sports

As you are aware we normally run our school athletics in Term 3 but this year unfortunately because of COVID restrictions, we were unable to. We still want to give the students the opportunity to participate in the athletics sports so we are running a modified version on Wednesday 4th November. We need to modify the day in terms of the number of events we can run. We usually utilise parents and students from RCSC but we obviously cannot do this with the current restrictions in place. Mr. Tuohy asked the students what events they would like to participate in and they provided us with the events for the day. We ask that students come dressed in their house colours on the day.

Unfortunately parents will not be able to attend as we are not permitted to have parents on site (unless these regulations change before then). We are planning to live stream some of the events so that parents can see some of the days events.

Once again the current circumstances have impacted on the way we usually do things at school. This is something we cannot control. We feel we have developed an alternative for the students that still allows them to participate.

Drink Bottles

Please ensure your child(ren) bring a drink bottle to school each day, especially now the weather is warming up.

Book Week—Friday 6th November

We are going ahead with our usual book week parade and activity day again this year. The students really love dressing up on this day and participating in different reading tasks with a variety of teachers. They have missed out on a few special days at school this year and we didn't want them to miss out on this one as well (and the staff love it too).

Students are asked to come dressed as a character from a story book.

Please ensure that the costume is appropriate for school.

Here are some examples of costumes from previous years:

School Council News

School Council met last night and discussed the following items:

- parent car park at the front of the school and how we can ensure that all students are safe when walking to cars or riding on the bike path
- Approved a curriculum day for **Friday 20th November** (pupil free day)
- Providing 'memorable moments' for students in term 4 (eg. athletics day, book week, etc). It has been a crazy year so we need to ensure we are still providing these for the students.
- Upcoming Kinder-Prep and Grade 6-Year 7 transition days (more information will follow).
- Confirmed the arrival of 28 new laptops for student use in the classrooms (shared resource between classes). This now brings our total devices to 22 Ipads and 50 laptops (all shared between classes)
- Discussed the student report format for the end of the year reports.
