Parent/Teacher/Student Conferences—Change Of Dates

As part on the student reporting process we will be conducting Parent/Teacher/Student conferences on the **11th and 12th August**. Due to some commitments for teachers to attend regional meetings/professional learning on the 28th and 29th July, we have had to change the dates for the conferences. Sorry if this causes any inconvenience.

The meeting structure will involve all 3 participants and will provide an opportunity to discuss how your child is going as a learner. We will send out a list of possible questions you may like to have ready to ask your child’s teacher. In turn, the teachers will have particular topics that they would like to cover during the meeting.

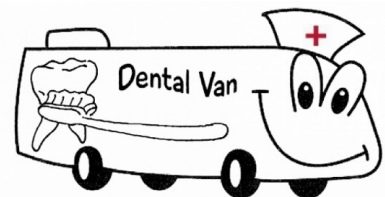

We will have a booking page on COMPASS at the start of Term 3 so please ensure you find a time that suits.

Dental Van Visit

Due to the hard border lock down with NSW and Victoria, the planned Dental Van visit has had to be postponed to a later date. The van is coming from NSW so obviously they do not have access to Victoria as they are not from a border bubble area.

Once again we just need to be flexible and adapt in an every changing world.

Grade 1: Heidi Curtin for being very focussed in all areas of your learning. You have shown great listening on the floor and have been ready to learn. You have also worked hard at your desk. Well done!

Grade 2: Bree Franz for your fantastic work in Maths this week. Bree, while we have been learning about shape, you have engaged in classroom discussions and sharing your thinking with others. You also have been able to assist your peers with their learning about shapes too. Great work Bree and keep up the marvellous effort on your maths in the future.

Grade 5/6: TK Head for the focus and persistence you have demonstrated in the classroom. You have been giving everything your best go and staying focussed until the task is complete. It is great to see you smiling when you achieve success. Great work TK!

House Award: Hunter Bailey for the sportsmanship you displayed on the oval. Hunter, during a game of football you were seen stopping during the game to check on a younger student who had fallen over.
