Mothers Day Stall - Raised \$506.30

Last Friday we held our annual Mother’s Day stall where students had the opportunity to purchase something special for Mum. The stall raised a fantastic \$506.30. Thank you so much to the parents who organised the purchase of the gifts and also the parents who came along on the day to help the students choose and purchase a gift. Another great community event run by our wonderful parents.

NAPLAN

This week the Grade 3 and 5 students completed their NAPLAN testing. It was wonderful to see the students persist and give their all during the four different tests. Persistence and determination was well and truly on show.

Students Of The Week

Prep/1: Zoey Hocking for the confidence that you have shown when arriving at school this week. Zoey, you have started each day with a smile on your face as well as being organised and ready to learn when the bell goes in the morning. We are so lucky to have you in the Prep/1 classroom. Keep up the great attitude Zoey.

Grade 1/2: Sophie Newey for the great effort you have shown in your writing this week. Sophie, you made sure you were persistent, organised and worked hard on your procedure planner. By being organised, this helped you stay focused during your Big Write this week and do your best writing. Well done Sophie and keep up the wonderful writing in the future.

Grade 2/3: Donnie Thompson for the positive learning choices you have been making. You have been focused when sitting on the floor and when at your desk you have begun your work quickly. These are great work habits to develop. Well done and keep up the great work!

Grade 3/4: Sommer Bailey for consistently displaying the class goal of 'Positive attitude towards your learning'. Sommer, this week you have completed all learning tasks to the best of your ability, taken on feedback and being open to new ideas and strategies. Grade 6: Jack Harris for displaying a terrific personal strength by persisting during the cross country race and putting in a great effort. Thanks for setting a super example for our team Jack!

Student Leader: Felix Smith for displaying a really important personal strength. We thought it was amazing that even though you had finished your cross country race, you went and kept running with other students who had not finished their race to encourage them. We also notice you are often inviting others to join in the game you play. We are so proud of you Felix!
