Newsletter

During remote learning, the newsletter will be completed every 2 weeks, rather than weekly.

Regular information will be provided via COMPASS and Facebook.

Student Work Pack Pick Up And Drop Off

Next Monday, 7th September will be the change over of current student work packs. The new work packs for the next 2 weeks will also be available for collection between 8.30am and 10am. As last time, this change over day will also be a non student work day. Of course you can still read with your kids, cook and play outside. We will not have anything specific planned for the day.

As you can understand, the teachers need time to go through and mark/provide feedback on student work. The marked student packs that are handed in on Monday will be available for collection the following Monday, 14th September (8.30am-10am).

The last 2 days of this term are curriculum days so there will not be any planned work for those 2 days. Also, for a bit of fun the staff have created a 'Football' theme for the last week (3 days) of school.

Curriculum Days 17th and 18th September

We are still in a time of uncertainty of how school will look in Term 4. Hopefully on Sunday we will get some clarification.

At this stage we have asked School Council to support the staff so that they can plan for next term. They have approved 2 Curriculum days on Thursday 17th and Friday 18th September (last 2 days of this term). We greatly appreciate this support.

Regardless of whether we are still remote learning or back at school (highly unlikely) in the last week of this term, these 2 days will be Curriculum Days. Students will not be on site nor will they have work set in their work packs for those 2 days.

Happy Father's Day to all the Dads and Grandfathers in the Red Cliffs East community.

We hope you have a great day with your family.

Students Of The Week:

August 21st

Grade Prep: Kaise Bolitho for a terrific effort reading on WebEx this week. It was a tricky book with lots of new words but you persisted and by the end, you were reading confidently. Keep up this amazing effort and attitude!

Grade 1: Trixten Dowdy for an excellent online reading session this week. You used some great strategies to help you with trickier words, like self-correcting and re-reading. Keep up the fantastic work!

Grade 2/3: Seth Wright for the persistence you have shown in your WebEx reading group this week. Seth, you showed you were able to adapt and be flexible when your reading time changed. You also stayed focused and ignored distractions to give your best effort on your reading. Wonderful work Seth and keep up the great persistence in the future!

Grade 3/4: Samuel Burkmar-Dawe for the wonderful effort you have shown towards remote learning. Samuel, you have been taking advantage of WebEx opportunities and it's been great to see you continue to work hard to complete your tasks. Well done Samuel, keep up the fantastic work!

Grade 4/5: Oily Robb for the generosity you always display towards your teacher and classmates. Thank you Oily for your patience and help in making sure our WebEx meeting were all set and ready to go this week. Your kindness towards everyone you come across is admirable and we are so lucky to have you in our class.

Grade 6: Shyann Behsmann for the confidence and active participation during WebEx meetings this week. Shyann, thank you for asking clarifying questions and sharing your work with others. Well done and keep up the great work!

August 28th

Prep: Charlotte Thomas for the way you have come to school and been ready to learn. You have demonstrated how you can hear and record sounds of the start of words and form your letters with so much more confidence. Keep doing this at school and at home Charlotte!

Grade 1: Matilda Courtney for the way you have been working hard on your reading and writing. You are making good attempts at writing words you are unsure about and when you are reading you are making sure that what you are reading makes sense. Keep up the fantastic work!

Grade 2/3: Lucas Farnsworth for your engagement in your Webex class and reading sessions this week. Lucas, it has been great to see you participating and contributing your thoughts with your classmates and teacher. You have also showed great respect by listening attentively to others when they are sharing their ideas. Fantastic effort Lucas and keep up the great work!

Grade 3/4: Jackson Pedler for the wonderful effort you have put into completing your information report on elephants. Jackson, you have taken on feedback to improve your writing piece to make it the best it can be. Well done Jackson, keep up the fantastic Work!

Grade 4/5: Nate Garraway for the effort you have put into all of your Remote Learning tasks. It is fantastic to see you displaying pride and determination in your approach to completing your tasks and in setting out your work. Well done Nate, keep up the terrific effort!

Grade 6: Jayden Bolitho for the fantastic work you have been doing during remote learning. Jayden, you have clearly been putting in a lot of time and effort towards your learning. You have completed all set tasks as well as taken pride in your work. Well done and keep up the great work.

Term 4—What Will It Look Like?

As a State, we are all still in stage 3 and 4 lock down, depending on where you live. On Sunday Premier Dan Andrews is planning to map the road out of the lock down. From a schools perspective we have no more information than everyone else. We also have to wait for these announcements.

We are hoping that school in Term 4 is back to face to face on site learning from day 1. This may or may not be the case. We will wait and see and inform our community when we know what is expected of us.

Thankyou

We are in the process (well Bonney is) of developing a new garden area near the undercover eating area. This area will be for quiet conversation and contemplation.

Last week Jason and Nicole (Nate Garraway's Mum and Dad) came up over the weekend and fixed up the fence and delivered/donated some rocks for the garden. Thank you so much to the Garraway family for your generosity of time and expertise. We really appreciate it!

Online Learning

Earlier this week the Prep and Grade 1 students had the opportunity to do some online learning through Ecolink. They engaged with a teacher for an hour who taught them about Australian dinosaurs. They even had the chance to make their own representations of the dinosaurs with plasticine.

The students at school worked together in the library but they also engaged with the students at home through the WEBEX platform, as well as the teacher.

There will be 2 more online virtual excursions for the Prep and grade 1 students over the next 2 weeks. These will be to the Melbourne Museum and the Melbourne Zoo. Keep an eye on the student work packs and website for the details.
