Raffle Tickets

Raffle tickets were sent home to every family in the school a while ago. We have put together a large number of prizes thanks to the many generous businesses and individual families both in our school and in the Red Cliffs area.

Thank you so much to the families who have returned their tickets and money.

The raffle will be drawn tomorrow, Friday 25th June at assembly. Winners will be notified so please make sure name and contact number are on all tickets.

Raffle will be drawn tomorrow morning at assembly.
Parents are welcome.

Student Reports

Student reports have been sent home today with students. You will find their Semester 1 report along with a cover letter.

If you have any questions or need any clarification about the reports, please do not hesitate to get in touch with your child’s teacher.

Students Of The Week

Grade Prep/1: Lucinda Thomas for being a fantastic role model! It has been wonderful to see you remembering to bring your reader bag each day so that you can practise the sounds and words on your keyring. It has also been fantastic to see how you organise yourself at the start of the day by going to breakfast club, then quickly putting your bag and brainfood away so that you are ready to start learning. Well done Lu-Lu. Keep it up!

Grade 1: Henry Glen for your successes in Maths this week. You have been thinking about strategies you have learnt and used them to help solve problems. You have also been confident in explaining how you solve these problems.

Grade 2:

Grade 3/4: Mikayla Connolly for your attitude and determination towards your learning this week. Mikayla, you have worked extremely hard to complete all tasks to the best of your ability and with great pride and care. Keep it up!

Grade 4/5: Jonnathon Lawson-Chapman for the determination you show all day in the classroom. Every day we see you working hard and always putting in your best effort. You make the most of every learning challenge and you are a role model for us all. You are awesome Jonnathon, keep up the fantastic work.

Grade 5/6: Henry Eastwood for the persistence you have shown in your Maths this week. You have been committed to finding the rule to patterns and have begun to explore the use of algebra within your patterns. Keep working hard Henry!

House Award: Nate Wright for the great game of tennis you organised this week with your friends. Nate, it was fantastic to see you running around and showing off your tennis skills. Well done on being active and inclusive. Keep up the great work!

Outside Of School Hours Care (OSHC)

We are in the final stages of setting up our after school care program that will commence in Term 3. We have recently appointed a supervisor who will be running the program. We are just waiting on some last minute red tape to clear. This is a very exciting time for the school and a fantastic addition to our school community.

We have been informed this week that the time frame for the official start of the OSHC will be pushed back slightly. This is due to the large amount of checks and balances that must be undertaken to run the program. We are having inspections over the holidays on our facilities and also an audit of the paperwork that must be completed.

We hope to have the program up and going by the start of week 2 in term 3.

If you know any families considering enrolling their children at RCEPS in 2022, please let them know about OSHC.

For Your Diaries—Student Free Days

We realise that these dates are still a fair way into the future but we want to give you plenty of notice. School Council last night gave approval for 2 curriculum days in Term 3.

Monday 26th July

&

Friday 20th August

Both these days will be used for professional learning for all staff.

Please Wear Hair Up

We ask that all students with long hair ensure that they wear their hair tied up at school. We do have cases of head lice at different times so wearing hair up will help. Hair ties are recommended.

Prep Enrolments For 2022

We are now taking enrolments for Prep students for 2022. Parents are invited to ring the school and make a time for a personalised tour.

Parents wanting to collect an enrolment form can do so at the school office.

Dental Van Visit

We received a phone call last week informing us that the planned dental van visit has been postponed until the **19th July**. The recent lockdown has required this postponement so that they can catch up schools effected during this time.

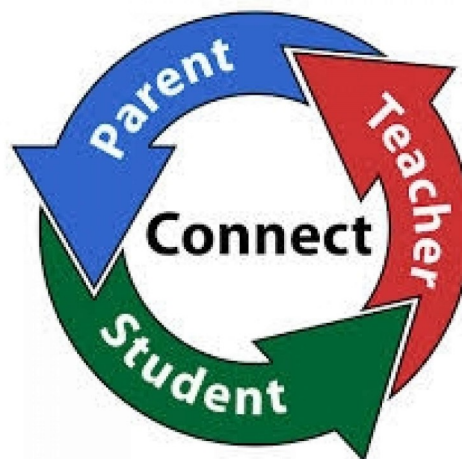

In order to get through all the students on one day, they will be sending 2 dental vans. Any students who returned their forms after the designated return date may not be able to be seen on this day. They will try their best to accommodate all students but those students who returned their notes on time will be given priority on the day.

Parent Teacher Conferences

As part on the student reporting process we will be conducting Parent/Teacher/Student conferences on the 28th and 29th July.

The meeting structure will involve all 3 participants and will provide an opportunity to discuss how your child is going as a learner. We will send out a list of possible questions you may like to have ready to ask your child's teacher. In turn, the teachers will have particular topics that they would like to cover during the meeting.

We will have a booking page on COMPASS at the start of Term 3 so please ensure you find a time that suits.
